Cholly Knickerbocker Says:

Lady Diana Duff Cooper, widow of the former diplomat and statesman and a former leading lady of the theatre, is cruising through the Greek Islands on the Eros. Stavros Niarchos' beautiful yacht. Niarchos, who helped finance the Elsa cruise, owns two fabulous yachts, the Creole and the Eros. He lends the Eros to friends at no expense so that they can get to know and love Greece better. There's no question that Niarchos has become Greece's No. 1 publicity agent.
